Dear Mr. Welby

RE: DEBT RECOVERY ASSISTANCE

On behalf of Beijing Grandy Green Technology Limited I would like to express our appreciation of your company's help in the successful recovery of a debt that hitherto had been unpaid for around 4 months.

After the debtor had ignored our various telephone calls, faxes and E-mails it was remarkable just how quickly they reacted upon receiving your demand notice. Although the time for you to recover the debt was just a few days, we felt that you worked closely with us to understand our situation and our requirements. Despite there being a time difference of 8 hours between the UK and China, the service was very smoothly delivered.

If we are in the unfortunate position of requiring your services again I can think of no better company to whom we could turn. And I would have no hesitation in recommending your services to others.

Thank you.

Yours sincerely

C. A. Phillips
