Dear Mr Welby,

To say we have been impressed with your service would be an understatement. We had been chasing our debtor for 4 months at the point we contacted you, yet you were successful in collecting the outstanding debt within 2 weeks of our instruction.

You have a great deal of knowledge in this area and offer a personable, efficient and professional service.

We were extremely pleased to receive the whole outstanding debt, plus some compensation, at no cost to ourselves at all.

We will not hesitate to recommend S & G Services to anyone who has an outstanding debt that needs recovering.

Yours Sincerely,

Clive Brookman & Tim Watson (Co-Directors)
